With a special view to meeting the growing wants of a growing community, our stock has been made to embrace a greater variety than ever have here, compared to the dreadful books of the company. By order before brought to this market, having been selected with the greatest care, and is confidently recommended as strictly choice. We shall keep none but standard goods of first quality, introducing every novelty in our line and new goods in season. Our first step being but the initiatory towards even a higher standard, which we shall spare no pains or expens to reach, we bespeak for our efforts in their behalf the substantial support of the Citizens of Clarksville and vicinity. Very respectfully,

Castner, Irwin & Co.
